By checking this box, I (the responsible party and lessee of equipment/renter/customer), recognizes and understands that rafting, canoeing, kayaking, tube floating and any other activity associated with services and concession provided by Trukees Canoe and Cabin Rental LLC, particularly outdoor activities will require high levels of physical activity, physical stress and mental competence. I understand these risks and believe I and the members of my group have the physical and mental ability required for these activities: including any children or minors under my care or otherwise within the group, including damage to personal property, bodily injury and death/disbursement or any other damages that may be incurred in the event of a mishap while participating in this outdoor activity. I understand that I will be charged a replacement cost for any damages or loss of any rented equipment rented from Trukees Canoe and Cabin Rental LLC and I will, to the best of my ability, mitigate any damage or loss to equipment leased to me and the members of my group. (Reasonable wear and tear is expected). My group will comply with any local, state, and federal laws while using/operating all rented property and equipment. I have carefully read this acknowledgement of risk and liability waiver and I understand its content.

Furthermore, I, as the Renter acknowledge the following:

- Cost of lost vessel rescue is \$200.
- If vessel is lost or damaged, renter is monetarily responsible to cover replacement costs.
- Cost of a rescue for a person is \$200. If it is a life threatening emergency call 911.
- Failure to move vessels away from boat ramp to the picnic table on Trukees property at Dunn access will result in a \$40 fine per vessel.
- Be advised cell service is spotty along the river.
- Renter is responsible for moving over to the sides of the river for jet boats.
- Tying tubes together is FORBIDDEN
